ECRM-2

The second East Coast Regional Meet was held on April 20-21, 1968, at Camp A.P. Hill, Bowling Green, Va. Events included Hawk B/G; Class 2 P.D.; Design Efficiency; Open Spot Land; Scale, and Egg Loft.

This contest, although it had 7 sections represented, was also intended to supply contest flying experience to independent modelers, those who do not belong to NAR sections. The five state area, to which applications to the ECRM were sent to all NAR members, included Maryland, Virginia, Delaware, Pennsylvania, and Washington D.C.

Special thanks go to our Scale judges, all from Goddard Space Flight Center. Dick Crone & Bob Bush, from the Educational Programs Office, and Jack Callow, from the Office of the Council.

It is felt that this was a very successful meet and many thanks go to all the people who helped make it so.
